<u>St. Joseph's Catholic Primary School,</u> <u>Barcaldine</u> Student Uniform Dress Code

A uniform dress code reinforces in students a pride in their own appearance, instills recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code. Student uniforms are available for purchase at the school office. Please ensure all garments have your child's name marked clearly on them.
